FINDING SINERGIES IN THE MEDITERRANEAN MED PROGRAMME APPROACH

- **Clustering**

a grid (matrix) has been validated in order to position all 1st and 2nd call MED projects. The projects were invited to participate at the MED capitalisation seminar in Marseille to find their cluster.

- **Sharing Best Practices** and thinking about contents for next call. End of the first semester 2012.

This process is open also to new partners even under other EU Programmes as ENPI CBC MED.
